Task Force Victory
METL, TASK REVIEW

References: FM 3-0 (JUN 01), FM 3-90 (JUL 01), FM 7-15 (JUL 02)

MISSION & METL

The First Infantry Division Rear detachment (Task Force Victory) provides first-class support to our Soldier and Family Members during the deployment, execution, redeployment and recovery from Operation Iraqi Freedom II in order to keep Soldiers mission focused, Families self- reliant, informed and engaged in fulfilling live activities at home and the Division prepared for future operations.

- **Command and Control the Task Force Victory**
- **Provide trained and ready Soldiers for deployment**
- **Form and sustain effective, inclusive Family Readiness groups**
- **Assist Families to be self reliant, informed and fulfilled**
- **Provide security and force protection**
- **Maintain the remaining Property, Facilities and Equipment**
- **Care for and support the Communities**
- **Set the conditions for successful redeployment, recovery and future operations**

METL TASKS

Command and Control TF Victory

TASKS

- Provide credible and timely information
- Maintain discipline, morale and cohesion
- Support and professionally develop Soldiers and Civilians
- Maintain accountability of personnel
- Provide timely and accurate reports
- Communicate with attached units

Assist Family Readiness Groups

TASKS

- Establish Effective, inclusive Family Readiness Groups
- Provide trained FRLs to all FRGs
- Recognize contributions of volunteers and families
- Design and monitor family morale activities

Provide Trained and Ready Soldiers

TASKS

- Reception and Integration of new Soldiers and Families
- Train deploying soldiers and teams to standard
- Deploy Soldiers and teams to ITO

Assist Families

TASKS

- Provide command information
- Assist families to be self-reliant
- Provide casualty notification oversight and assistance
- Caring for wounded Soldiers and their Families
- Provide re-integration training for families
- Sustain school partnership

METL TASKS (cont.)

Care for and support the Communities

TASKS

- Sustain relationships with ASG and BSBs
- Sustain Unit Partnerships
- Sustain Host Nation relations

PROVIDE SECURITY AND FORCE PROTECTION

TASKS

- Oversee and monitor counterterrorism measures
- Maintain personal security
- Maintain information security
- Analyze the threat

MAINTAIN AND SECURE PROPERTY, FACILITIES AND EQUIPMENT

TASKS

- Maintain accountability of property facilities and equipment
- Maintain readiness and serviceability of property, facilities and equipment
- Maintain accountability of rations, monitor food service operations
- Provide transportation and temporary storage of mission essential items to TF DANGER

Redeploy, Recover and Prepare for Future Operations

TASKS

- Provide oversight for re-integration training for returning Soldie
- Coordinate manning needs with higher headquarters
- Coordinate CTC, Gunnery and training events and schedules
- Coordinate Force Modernization Plans

Critical Task Analysis

METL TASK 1

Command and Control Task Force Victory

- **Provide credible and timely command information**
- **Maintain discipline, morale and cohesion**
- **Support and professionally develop Soldiers and Civilians in the Rear Detachment**
- **Maintain accountability of TF Victory personnel**
- **Maintain accountability fo deployed soldiers in Central Region**
- **Provide timely and accurate reports**
- **Provide liaison with attachments (30th eSB, 2/25 ID and 264 EN Gp)**

METL TASK 1a

Provide credible and timely command information.

- **Implementation Plans and Systems**
  - 1ID Web Site
  - Victory Buzz Newsletter
  - Quarterly Town Hall and Steering Committee Meetings
  - Community Newspapers, Stars and Stripes
  - TF Danger Bi-Weekly Update
  - FOB Maps
  - Danger Forward Magazine
  - Command Information Channel (AFN)
- **Standards**
  - Keep Families updated with Current news
  - Keep soldiers informed of activities at home
  - Critical information disseminated within 12 hours of receipt
- **Measures of Effectiveness**
  - # Hits on 1ID deployment web pages
  - # Attendees at town hall and steering committee meetings
  - Family Awareness of deployment news and community events
- **Resources**
  - FRG and Family Feedback
  - Family questionnaires
  - Website “counter”

METL TASK 1b

Maintain Discipline, Morale and Cohesion

- **Implementation Plans and Systems**
  - UCMJ
  - Accountability reporting
  - CSM visits
  - Team building events
  - Athletics
  - Week of Leave per quarter for Cadre and FRGs
  - PMO Reports
  - Reception and Inprocessing of Soldiers and Families
- **Standards**
  - Soldiers take pride in mission
  - All soldiers taking R&R leave in USAREUR are accounted for and transported to and from APOA and APOE; families understand R&R tips for success
  - All soldiers are assigned in to squad and team and have a functioning chain of command
  - Barracks consolidated and CQs in charge
  - Legal Chapters processed to standard
- **Measures of Effectiveness**
  - Soldier and Family Member Misconduct trends
  - missing movement and redeployment from R&R
  - Results of IG Sensing Sessions
  - EO and IG Command Climate results
  - Trends of Soldier and FRG burnout
- **Resources**
  - Community legal office and SJA
  - TF Victory PMO and Liaison and IG
  - TF Victory CSM and Chaplain
  - SJA Chapter Report
  - PMO Misconduct Analysis
  - EO and IG Sensing Sessions and Climate Surveys
  - CSM Assessment visits
  - Chaplain's Assessments

METL TASK 1c

Support and Professionally Develop TF Victory Soldiers and Civilians

- **Implementation Plans and Systems**
  - Correspondence Schools
  - ANOC and BNOC and PLDC
  - TF Victory OPD
  - Weekly STT and Leader Training
  - Weapons Qualification Tracking
- **Standards**
  - USAREUR 670-1
  - All personnel afforded the opportunity for further professional development
  - Professional development sessions conducted to standard
  - All personnel remain qualified in MOS and COS
  - TF Victory Soldiers remain CTT and weapons qualified
- **Measures of Effectiveness**
  - Percentage Qualified on individual weapons
  - Quality of Leader Training and STT
  - Professional satisfaction as measured by IG sensing session
- **Resources**
  - 7th ATC
  - Service and Branch Schools and NCO academies
  - CHRA
  - LPD Funding
  - IG Sensing Sessions
  - Training Schedules
  - Assistance

METL TASK 1d

Maintain Accountability of TF Victory Personnel

- **Implementation Plans and Systems**
  - Reporting procedures (PERSTAT)

- **Standards**
  - Weekly PERSTAT reports submitted on time and correctly
  - 100% accountability of TF Victory personnel
  - PERSTAT properly categorizes status of soldiers

- **Measures of Effectiveness**
  - Commanders have accurate situational awareness on status of soldiers

- **Resources**
  - Standard Report format
  - SIPR access

METL TASK 1e

Maintain Accountability of Deployed Soldiers who enter Central Region

- **Implementation Plans and Systems**
  - USAREUR Rest and Recuperation Program
  - TF Victory LNO at 64th Replacement Detachment
- **Standards**
  - Soldiers returning from OIF II are tracked and accounted for whether CONUS or USAREUR bound.
  - Owning units are informed of soldiers whereabouts and know when the soldier will return (date and flight)
  - All soldiers taking R and R leave are debriefed to and from reporting station
- **Measures of Effectiveness**
  - 100% knowledge of where R and R soldiers are
  - Owning units are kept abreast in daily report of expected return dates of R and R soldiers.
- **Resources**
  - TF Victory Commanders and 64th Replacement Detachment and TF Victory LNO
  - DTO and G4 movement coordination w and BSBs

METL TASK 1f

Provide Timely and Accurate Reports

- **Implementation Plans and Systems**
  - Deployment and TF Victory TACSOP
  - USAREUR and III Corps and V Corps Reporting SOPs
- **Standards**
  - All reports are submitted on time with no errors
  - Consolidated TF Victory Green 4 (DANGER)
  - Consolidated PERSTAT (V Corps and USAREUR and TF DANGER)
  - Commander's SITREP (V Corps CofS)
  - TF DANGER, V Corps and USAREUR maintains proper SA of TF Victory Status
- **Measures of Effectiveness**
  - % of reports submitted on time and accurate
- **Resources**
  - TF Victory SOP
  - SIDPERS
  - TF Victory DOC

METL TASK 2

Provide Trained and Ready Soldiers for Deployment

- **Reception and integration of newly arrived Soldiers and Families**
- **Train Deploying soldiers and teams to standard**
- **Deploy Soldiers and teams to ITO**

METL TASK 2a

Reception and Integration of newly arrived Soldiers and Families

- **Implementation Plans and Systems**
  - Installation Inprocessing Program
  - Unit local sponsorship program
- **Standards**
  - Soldiers are ready for deployment to ITO within 45 days of arrival in USAREUR
  - All soldiers have a battle buddy
  - All soldiers have chain of command and NCO in charge
  - Young and vulnerable soldiers properly protected.
  - Chain of Command in charge in barracks; CQs present
  - Arriving soldiers are assigned a sponsor on arrival
- **Measures of Effectiveness**
  - % soldiers deployed to ITO within 45 days
  - Results of IG sensing session questions on sponsorship, battle buddy and chain of command
  - Barracks safe and healthy as measured by Health and Welfare inspections, MP blotters and urinalysis
- **Resources**
  - Installation Commands and Agencies
  - Community Schools
  - Family Readiness Groups and Family Readiness Liaisons
  - S-GATE
  - Health and Welfare Inspection
  - Urinalysis
  - IG Sensing Sessions

METL TASK 2b

Train Deploying soldiers and teams to Standard

- **Implementation Plans and Systems**
  - Unit Common Tasks Training Program
  - TF Victory Consolidated Individual Replacement Training
  - Unit Training Program
- **Standards**
  - Soldiers are trained for deployment to ITO within 45 days of arrival in USAREUR
- **Measures of Effectiveness**
  - All deploying soldiers have completed TF Victory IRT tasks
  - All deploying soldiers have qualified with assigned individual weapon
  - All soldiers have completed community inprocessing program
- **Resources**
  - Unit training personnel
  - TF Victory IRT personnel and unit
  - Command Inspection Program (modified)

METL TASK 2c

Deploy Soldiers and Teams to Theater

- **Implementation Plans and Systems**
  - TF Victory Standard Operating Procedures for soldiers in “ready to deploy” status
  - TF Victory G1 TCS orders process; G4 movement process
- **Standards**
  - Soldiers deploy to theater within 48 hours of “available to deploy” date
  - Deploying soldiers are issued all RFI, IBA available, prior to deployment
  - TCS orders are issued with 72 hours of completion of deployment requirements
- **Measures of Effectiveness**
  - % of soldiers deployed within 48 hours of “available to deploy” date
- **Resources**
  - 64th Replacement Detachment and TF Victory LNO
  - AMC’s ULN Flight, Space A and Space R process
  - TF Victory G4 and DTO

METL TASK 3

Assist Family Readiness Groups

- **Establish Family Readiness Groups (FRG)**
- **Provide Family Readiness Liaison assistance to FRGs**
- **Recognize contributions of volunteers**
- **Design and monitor family-friendly morale building activities**

METL TASK 3a

Establish Effective, Inclusive Family Readiness Groups

- **Implementation Plans and Systems**
  - Unit verification and identification of FRG leaders and advisors via appointment orders
  - Develop and sustain TF Victory FRG and FRL rosters
  - Dissemination of FRG information plan
- **Standards**
  - All families are knowledgeable and integrated into unit FRGs
  - Every FRG leader trained by local community
  - FRGs meet at least monthly
  - Functioning steering committees and MSC and Separate Bn levels
  - FRGs disseminate timely and accurate information Accurate phone trees and contact rosters
- **Measures of Effectiveness**
  - % trained FRG leaders
  - Attendance
  - % families that feel informed about deployments and community events as determined by IG sensing sessions
  - Junior spouse involvement in FRG
  - Attendance at FRG and Steering Committee meetings
- **Resources**
  - Unit FRLs and FRG Leaders and FRSAs
  - TF Victory HRO
  - BSBs and ASGs

METL TASK 3b

Provide FRL Assistance to FRG

- **Implementation Plans and Systems**
  - Identification and training of FRLs
  - TF Victory sposored re-training and classes for FRLs
- **Standards**
  - All units have certified, active and effective FRLs
  - FRLs have received community training
- **Measures of Effectiveness**
  - Results of IG Sensing Sessions
  - % trained FRLs
- **Resources**
  - Unit FRG leadership
  - Army Community Services
  - ASG and BSB training programs
  - TF Victory FRL

METL TASK 3c

Recognize Contributions of Volunteers

- **Implementation Plans and Systems**
  - TF Victory OPORDER
  - TF Victory Commander Award and Volunteer recognition program
- **Standards**
  - Spouses and Families who go “above and beyond” are recognized by Command for their contributions to the “homefront”
  - Recognition is reported to soldiers downrange
  - TF Victory Commanders recognize Volunteers quarterly at collective events
  - All units to Bn and Separate company submit at least 1 nomination for BSB quarterly volunteer awards
- **Measures of Effectiveness**
  - IG sensing session results and CRC questionnaires on degree to which volunteers feel appreciated
  - % of collective events that recognize
  - # TF Victory submissions for BSB volunteer awards
- **Resources**
  - BSB and ASG Army Community Services
  - TF Victory Commander Coins and Certificates
  - IG Sensing sessions and FRL Questionnaires

METL TASK 3d

Design and Monitor Family-friendly Morale Building Activities

- **Implementation Plans and Systems**
  - Walk to Iraq program
  - Civilian fitness program
  - Semi-Annual “Off-Site” meetings
  - Creative Writing Contest
  - FRG trips and events
- **Standards**
  - Walk to Iraq and Civilian fitness implemented and active at every unit
  - FRG morale and team building events conducted each quarter
  - Families area aware of and engaged in fulfilling activities
- **Measures of Effectiveness**
  - % of families electing to return to CONUS during the deployment
  - # of participants in Walk to Iraq program
  - # of participants in Off-Site meetings and quarterly morale and team building events
  - Responses to IG Sensing session and FRL questionnaires on opportunities for fulfillment
- **Resources**
  - IG and FRL
  - MWR Family Friendly Trips
  - Health promotion coordinators
  - TF Victory and FRG programs and events

METL TASK 4

Assist Families

- **Provide Command Information**
- **Assist Family Members to be Self Reliant**
- **Provide Casualty Notification oversight and Assistance**
- **Caring for Wounded Soldiers and Families**
- **Provide re-integration Training for Families**
- **Assist Schools as Necessary**

METL TASK 4a

Provide Command Information

- **Implementation Plans and Systems**
  - Meetings
  - Deployment Updates
  - Phone Trees
  - Victory Show and AFN Radio
  - Command Channel (AFN)
  - Website
  - TF Victory and FRG Newsletters
  - TF DANGER bi-weekly update
- **Standards**
  - Critical Command Information distributed to Rear Detachment commanders within 2 hours.
  - Rear Detachment Command Information distributed routinely every week
  - Families are informed of deployment, unit and community information
- **Measures of Effectiveness**
  - Feedback from town hall and FRG steering committee meetings
  - Monitoring subordinate Cmd Info operations for timeliness and accuracy
  - IG Sensing Session and FRL Questionnaire feedback
- **Resources**
  - Command Information TV channels
  - Print media
  - 1ID Web Page
  - Town Hall meetings
  - AFN Radio/TV
  - Computer access for families – personal or Yellow Ribbon Room

METL TASK 4b

Assist Family Members to be Self Reliant

- **Implementation Plans and Systems**
  - POC and agency contact listings maintained by Rear Detachment
  - Chain of Command knowledge of local procedures
  - Rear Detachment Commander and Family Readiness Liaison course
- **Standards**
  - Requests for information responded to within 24 hours
  - Families know where to go for assistance
  - Families develop effective skills to maintain household while spouse is deployed
- **Measures of Effectiveness**
  - Family Assistance Log trends
- **Resources**
  - ACS and local CPAC
  - Community Agencies (Family advocacy, ACS)
  - Classes on Debt Management, stress relief and legal options
  - DoDDs and AAFES

METL TASK 4c

Provide Casualty Notification Oversight and Assistance

- **Implementation Plans and Systems**
  - TF Victory Policy and Battle Drills
  - Community CNO and CAO certification
- **Standards**
  - AR 600 – 8 – 1
  - All CAO and CNO personnel trained
  - Notifications performed in professional, compassionate and dignified manner
- **Measures of Effectiveness**
  - Family Member and Soldier feedback on notification and assistance
  - Families know full range of resources available to them
- **Resources**
  - BSB CNO and CAO training
  - BSB and ASG Casualty Assistance office
  - School crisis intervention teams
  - Landstuhl Medical Center Liaison

METL TASK 4d

Caring for Wounded Soldiers and their Families

- **Implementation Plans and Systems**
  - TF Victory Policy and Battle Drills
- **Standards**
  - Wounded Soldiers in USAREUR are contacted by chain of command weekly
  - Coordination made with Society of 1st Division for visiting Soldiers in CONUS
  - Families feel the Division is doing everything possible to assist
- **Measures of Effectiveness**
  - Soldiers and Families contacted by chain of command weekly
  - Family Member and Soldier feedback on assistance
- **Resources**
  - Victory Ward at Wuerzburg Medical Center
  - Landstuhl Medical Center and 1ID Liaison at Landstuhl
  - Invitational Travel Orders for non-USAREUR families
  - Fisher House
  - Landstuhl Medical Center Liaison

METL TASK 4e

Provide Re-Integration Training for Families

- **Implementation Plans and Systems**
  - USAREUR OPORD 1003-V-03
  - Community reintegration plans
  - Misconduct Reports
  - Feedback system
- **Standards**
  - Families understand keys to successful reintegration
  - All Soldiers returning to Division (not redeploying) undergo community reintegration process
  - Families are prepared for return of service members from deployment
- **Measures of Effectiveness**
  - Feedback from IG Sensing Session and FRL Questionnaires
  - Misconduct trends, IG reports and PMO blotters
- **Resources**
  - IG sensins session and FRL reports
  - PMO reports

METL TASK 4e

Assist Schools as Necessary

- **Implementation Plans and Systems**
  - School sponsorship
  - Monthly briefings to Faculty members and school leadership
  - Adopt a School Program
- **Standards**
  - Monthly briefings from Rear Det Cdrs to Faculty and Staff
  - All schools in 1ID footprint are sponsored by 1ID unit
  - Staff and faculty informed on deployment, unit and community information
- **Measures of Effectiveness**
  - Trends of reports of disorder or violence committed by children of deployed soldiers
  - Continual liaison between Task Force Victory and School Leadership
  - Feedback from staff on understanding of deployment, unit and community information
- **Resources**
  - Command Information talking points
  - School counselors
  - School sponsors

METL TASK 5

Care for and Support the Communities

- **Sustain relationships with ASG and BSB agencies and leaders**
- **Sustain Unit Partnerships**
- **Sustain Host Nation Relationships**
- **Integrate community events calendar**

METL TASK 5a

Sustain Relationships with Community Agencies and Leaders

- **Implementation Plans and Systems**
  - Victory Roundup
  - TF Victory Command and Staff
  - Community Roundtable meetings
  - Community and TF Victory meetings and briefings
  - Web based calendar accessible by all
- **Standards**
  - ASG and BSB attendance at Roundups
  - BSB attendance at MSC Command and Staff, Quarterly Command Briefs
  - Community events are integrated into the TF Victory Calendars
- **Measures of Effectiveness**
  - Feedback from FRGs on community support of families
  - Feedback from FRGs on community agency support
- **Resources**
  - Community Leaders (BSB and ASGs)
  - TF Victory FRG leaders

METL TASK 5b

Sustain Unit Partnerships

- **Implementation Plans and Systems**
  - USAREUR Partnership Program
  - Existing Formal and Informal Relationships
- **Standards**
  - Participation in local and remote cross training activities
  - Participation in unit ceremonies and quarterly partnership events
  - Support of partnership unit sponsored family activities
- **Measures of Effectiveness**
  - Relationship with partnership units maintained and grows
  - # of partnership activities conducted
  - # family members participating in partnership unit sponsored activities
- **Resources**
  - USAREUR Partnership program contact
  - TF Victory G5 leaders and funding

METL TASK 5c

Sustain Host Nation Relations

- **Implementation Plans and Systems**
  - Existing Formal and Informal Relationships
  - Host Nations Affairs Advisory Council (HNAAC)
- **Standards**
  - Local community leaders invited to appropriate activities and ceremonies
  - Unit leader and family member participation in host nation activities as appropriate
  - Local Community leaders are informed about deployment, family and community related issues
  - HNAAC meets bi-weekly to integrate host nation affairs effort
- **Measures of Effectiveness**
  - Relationship with host nation local communities maintained and grows
  - # family members participating in Host Nation community sponsored activities
  - Local leaders feel informed on deployment and family information
- **Resources**
  - USAREUR Partnership program contact
  - TF Victory G5 leaders and funding
  - TF Victory Protocol and GRA
  - HNAAC

METL TASK 6

Provide Security and Force Protection

- Oversee and Monitor Counterterrorism Measures
- Maintain Personnel Security
- Maintain Information Security
- Analyze the Threat
- Maintain Physical Security

METL TASK 6a

Oversee and Monitor Counter Terrorism Measures

- **Implementation Plans and Systems**
  - USAREUR Force Protection and Anti-Terrorism Program
  - TF Victory Force Protection and Anti-Terrorism Program
  - Community Force Protection and Anti-Terrorism Program
  - Maintain close relationship with local police and community leaders
- **Standards**
  - Units are aware of Force protection threats
  - Units participate in community Anti-terrorism programs and actions
  - TF Victory leaders are informed of criminal trends and threats
- **Measures of Effectiveness**
  - Unit Task Force Victory commanders are aware of any threats within 6 hours of TF Victory notification
  - Unit Task Force Victory leaders are knowledgeable of Community force protection plans and have implemented family security protection actions
- **Resources**
  - Task Force Victory Leadership
  - TF Victory and 98ASG and 100ASG AT and FP Managers and S2s

METL TASK 6b

Maintain Personnel Security

- **Implementation Plans and Systems**
  - USAREUR and V Corps and 1ID personnel security clearance programs
- **Standards**
  - Accurate and complete TF Victory and 1ID SCAR
  - Process DEROG packets to appropriate agency within 10 days of report of incident.
- **Measures of Effectiveness**
  - Knowledge of status of all 1ID and TF Victory clearances and access
  - EPQS reports are submitted on time for renewals, ensuring no breaks in clearance
- **Resources**
  - Established SOPs and regulations
  - Unit security managers and communications

METL TASK 6d

Maintain Information Security

- **Implementation Plans and Systems**
  - USAREUR Information security Program
  - DA Information Security program
- **Standards**
  - Security standards maintained to DIA standards – no violations
  - Corrected all SAV discrepancies
- **Measures of Effectiveness**
  - DIA inspection
  - SAVs
- **Resources**
  - Subordinate unit support
  - SSRs tasked for ACE SCIF

METL TASK 6e

Analyze the Threat

- **Implementation Plans and Systems**
  - Provide daily highlights and weekly briefings to TF Victory Leadership
  - Disseminate intel items and spot reports to subordinates
  - Coordinate with supporting units and agencies for threat assessments
- **Standards**
  - Provide thorough, accurate information that is useful to TF Victory leadership
  - Unit commanders receive appropriate information
- **Measures of Effectiveness**
  - Threat analysis updates are provided to Task Force Victory Commanders within 4 hours
  - Community members are aware of evolving FP measures
- **Resources**
  - SIPRNET
  - TF Victory and community AT and FP officials
  - Knowledge of local assessment needs

Critical Task 6f
Maintain Physical Security

Maintain physical security

- **Implementation Plans and Systems**

- Will participate in BSB CTFP operations and training and will provide input during planning process
- Liaison with local BSBs to establish areas that local MPs should patrol more often
- Assist all units in 1ID with physical security inspection information

- **Standards**
  - ASG physical security guidelines followed even after deployment
  - 100th and 98th ASG BSB's fill in for PMO physical security expert
  - All areas of special emphasis are given to BSB PMOs

- **Measures of Effectiveness**
  - % Arms Rooms, Barracks and Motor Pools secured to standard
  - Do Family members feel safe and secure? IG Sensing Session and FRL questionnaire feedback
  - Trends in vandalism and theft of military equipment

- **Resources**
  - 98th ASG and 417th BSB PM Offices
  - SFC Pitts 98th ASG Physical security office
  - IG Sensing Sessions and FRL Questionnaires

METL TASK 7

Maintain and Secure Property, Facilities and Equipment

- **Maintain Accountability of property facilities and equipment**
- **Maintain readiness and serviceability of property, facilities and equipment**
- **Maintain Accountability of rations, monitor Food service operations**
- **Provide transportation and temporary storage of mission essential items for TF DANGER**

METL TASK 7a

Maintain Accountability of Property, Facilities and Equipment

- **Implementation Plans and Systems**
  - Monthly cyclic and sensitive items inventories
  - Lateral transfers
- **Standards**
  - 100% of equipment is accounted for in Task Force Victory and inventoried appropriately.
  - Shortage annexes are updated within 72 hours of inventories
- **Measures of Effectiveness**
  - % of inventories completed on time
  - % of reports of survey processed to standard
  - % of equipment properly accounted for – measured by TF Victory assistance inspections
- **Resources**
  - PBO (MMC)
  - Senior Material Systems Analysts (G4)
  - TF Victory assistance Inspections

METL TASK 7b

Maintain Readiness and Serviceability of property, facilities and equipment

- **Implementation Plans and Systems**
  - MRR, weekly meetings and QARs
  - Established standards
  - AOAP
  - ULLS DCR Recon and SAMS
- **Standards**
  - 90% OR rate (DA Goal)
  - 100% ULLS DCR Recon
  - AOAP delinquency less than 5%
- **Measures of Effectiveness**
  - Meeting DA and USAREUR and TF Victory goals standards and measures for improvement
- **Resources**
  - MRR data
  - Contractor Maintenance Support
  - MAIT Team
  - Senior Material Systems Analyst (G4)

METL TASK 7c

Maintain Accountability of Rations and Monitor Food Service Operations

- **Implementation Plans and Systems**
  - Command Inspection Program (modified)
  - Family Nite Out
- **Standards**
  - Food service operations are conducted IAW regulations and provide a healthy, morale building experience for Task Force Victory's soldiers and families
- **Measures of Effectiveness**
  - # meals served in DFACs
  - Any loss of accountability of rations
  - Feedback from food service inspections
  - Feedback form Family Nite out questionnaires and FRL questionnaires
- **Resources**
  - TF Victory Food Service Inspectors (MAIT)
  - BSB Food Service Advisor
  - DFAC questionnaires
  - FRL questionnaires

Critical Task 7d

Provide Transportation and Temporary Storage of 1ID equipment destined for OIF

Provide transportation of mission essential items for 1ID soldiers deployed

- **Implementation Plans & Systems**

  - Weekly liner service from central region to Kuwait for sustainment movement

- **Standards**

  - export transportation release request processed within 7 days of receipt of supplies

- **Measures of Effectiveness**

  - equipment with approved ETRR are manifested on liner service within 13 days

- **Resources**

  - GS civilian Transportation Assistant
  - German Civilian Transportation Assistant

METL TASK 8

Redeploy, Recover and Prepare for Future Operations

- **Provide oversight for reintegration training for returning Soldiers**
- **Coordinate manning needs with higher headquarters**
- **Coordinate CTC, Gunnery and training events and schedules**
- **Coordinate Force Modernization plans**

METL TASK 8a

Provide Oversight for Reintegration training for returning Soldiers

- **Implementation Plans and Systems**
  - TF Victory Training Program
  - Quarterly and Annual training guidance
- **Standards**
  - Soldiers and units are quickly reintegrated and retrained critical individual and unit tasks
  - Soldiers and units are quickly retrained and certified to perform critical mission assignments
- **Measures of Effectiveness**
  - Soldiers and Units meet USAREUR standards for reintegration and retraining
  - 1ID is certified for additional missions within established timeframes
- **Resources**
  - 7th ATC
  - Unit training schedules and programs
  - TF Victory training resources, schedules and programs

METL TASK 8b

Coordinate Manning Needs with Higher Headquarters

- **Implementation Plans and Systems**
  - Gains Roster
  - EDAS
  - TOPMIS
- **Standards**
  - 100% 1ID fill on personnel
  - Equitable distribution of personnel
- **Measures of Effectiveness**
  - V corps maintains situational awareness of 1ID manning requirements
  - TF Victory units are manned to accomplish the mission
- **Resources**
  - Gains rosters
  - EDAS and TOPMIS
  - 1st PERSCOM
  - 1ID G1 and TF Victory G1 liaison

METL TASK 8c

Coordinate CTC, gunnery and Training Events and Schedules

- **Implementation Plans and Systems**
  - 1ID 350-1
  - Annual and Quarterly training Guidance
- **Standards**
  - 1ID units (with TF Victory support) achieve USAREUR 350-1 standard and other requirements as required by specific mission assignments.
- **Measures of Effectiveness**
  - Unit “gunlines” and CTC rotations are scheduled for maximum success and ease of execution
  - 1ID units recertified and ready for future missions as quickly as possible
- **Resources**
  - Quarterly MRA conference
  - Liaison between TF Victory G3 and downrange Commanders and S3s

METL TASK 8d

Coordinate Force Modernization Plans

- **Implementation Plans and Systems**
  - USAREUR and DA force modernization initiatives
  - TF Victory Force Modernization program
- **Standards**
  - New equipment is seamlessly integrated into MTOEs and soldiers are confident and qualified on use for equipment remaining in USAREUR
  - Equipment and FMD initiatives are conducted in ITO as appropriate.
- **Measures of Effectiveness**
  - Task Force Victory is prepared to receive new equipment and plan and coordinate for NET for returning Soldiers and units.
  - Task Force Victory transfers and coordinates for FMD events for OIF II fielding.
- **Resources**
  - Divisional Force Modernization program
  - TF Victory Force Modernization staff
  - Unit Rear Detachment Commanders, S3s and S4s
